products

It's not often you can find exactly what you're looking for. Sleek and contemporary, or solid and bold.

That's what makes Designer Doorware unique in the architectural hardware market. We guarantee your satisfaction, because if we don't have what you're looking for we'll make it for you.

Our point of difference is the ability to custom make designs for any purpose right here in Australia. We have a fully equipped factory, based in Melbourne, that is able to bring your design ideas to life. Now that is satisfying.

Experience the innovative designs and unsurpassed quality of Designer Doorware.

For more information about Designer Doorware or our range go to designerdoorware.com.au

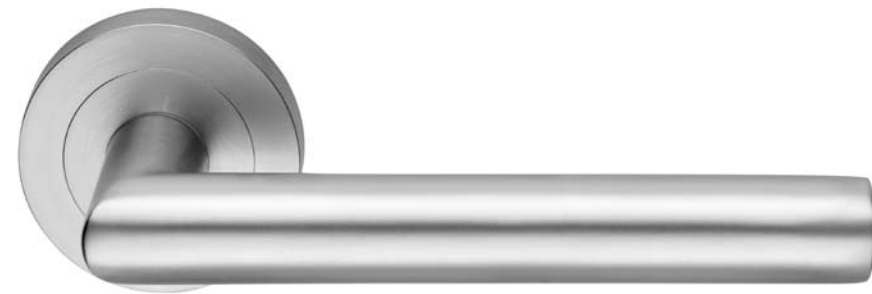

Totally integrate your refrigerator using Designer Doorware handles, as featured above.
